
USAREUR Bulletin

Number 16

HQ USAREUR/7A, Unit 29351, APO AE 09014

15 August 2001

This bulletin expires 1 year from date of publication.

WOMEN'S EQUALITY DAY

Women's Equality Day will be celebrated 26 August. This year's observance will commemorate the passage of the 19th Amendment to the U.S. Constitution, which granted women the right to vote.

Commemorative events will be scheduled throughout USAREUR to mark this observance. Leaders should refer to USAREUR Pamphlet 600-21 and encourage participation in these events within mission constraints.

DIRECTORY OF KEY PERSONNEL, UNITED STATES ARMY, EUROPE

The Directory of Key Personnel, United States Army, Europe (USAREUR Circular 10-10), is updated twice a year. The newest edition will be published in September 2001. USAREUR Circular 10-10 is intended for USAREUR commands and HQ USAREUR/7A staff offices.

Personnel who need copies of USAREUR Circular 10-10 must order them through their unit publications clerks. To order copies, reduce the number of copies needed, and to subscribe to future editions of the circular, publications clerks must use the USAREUR Publications System at <http://upubs.army.mil>. The nomenclature for ordering the circular is US CIR 10-10.

ODCSIM ORGANIZATION DAY

The Office of the Deputy Chief of Staff, Information Management (ODCSIM), HQ USAREUR/7A, will be closed for its organization day on Friday, 24 August 2001, from 1000 to 1700. During that time, personnel who urgently need ODCSIM assistance may contact the ODCSIM staff duty officer (0175-435-9385 or 0170-786-5421).

HEADGEAR POLICY

The Army green male service cap (also called the saucer cap) and the green female service hat (also called the pot hat) have been eliminated as optional headgear for the class A and B service uniforms. Effective immediately, soldiers (including officers, warrant officers, and enlisted personnel) will no longer purchase or wear the green service cap or hat.

Soldiers who have not yet been issued the black beret will wear the garrison cap with the class A and B service uniforms until they receive their beret.

The blue and white service caps and hats remain the prescribed headgear for the blue and white dress and mess uniforms.

HAUS RISSEN

Allocations are still available for U.S. company-grade officers and equivalent-grade Department of the Army civilians to attend the Haus Rissen seminar in Hamburg, Germany, from 9 through 14 September 2001. Personnel selected to attend must have a retainability of at least 1 year in USAREUR.

Haus Rissen is an international institute for politics and economics. It is a private organization not affiliated with any political party, religion, or interest group. The institute is in Rissen, which is part of Hamburg.

The 5-day seminar will provide information on the history of Germany and on the German political and education system. A harbor and sightseeing tour of Hamburg is included in the program. This seminar will also give U.S. company-grade officers the opportunity to meet their counterparts in the German Armed Forces.

The Office of the Chief, Public Affairs, HQ USAREUR/7A, will provide funds for seminar costs, lodging, and meals. Sending units and organizations must provide temporary duty orders and pay attendee travel expenses.

The POC is Mr. Beldermann, DSN 370-8725 or e-mail: belderma@hq.hqusareur.army.mil.

ITM CAREER PROGRAM MANAGER SEMINARS

The DA Information Technology Management (ITM) Career Program Manager will be traveling throughout USAREUR from 20 to 24 August 2001 to conduct seminars on the new "job family" position-classification standard for administrative work in Information Technology Group Series GS-2200. This new job family establishes ITM Series GS-2210 and abolishes the Computer Specialist Series GS-0334. Seminars will include a briefing by the DA ITM Career Program Manager and a question-and-answer session.

These seminars will provide an opportunity to learn about the changes in the job series and how the changes will affect personnel in these career fields. GS-0334 computer specialists, GS-0391 telecommunication specialists, and GS-301-I information management specialists are encouraged to attend.

More information on seminar times and locations and a registration form are available at <http://www.dcsim.hqusareur.army.mil/topics/itm>. Personnel may register on-line for the seminar of their choice.

PERSONAL SUBSCRIPTION NOTIFICATION

A new subscription feature has been added to the USAREUR Publications System (UPUBS) at <http://upubs.army.mil> to help users know if they have the most current versions of publications and blank forms. This feature is called Personal Subscription Notification (PSN). PSN sends users a message when Army and USAREUR publications and forms to which they subscribe have been revised, superseded, or rescinded.

PSN is especially helpful to publications clerks, publication proponents, and individuals whose job performance depends on having the most current policy and procedures.

Publications clerks should contact the United States Army Publications Distribution Center, Europe, to request that their present subscription for Army and USAREUR publications available only in electronic media be converted to the PSN. Clerks will then be able to forward notifications to users who require these items.
